TIMELESS ELEGANCE FOR MODERN LIVING

Introduction

FROM A DESIGNER TO DESIGNERS

Internationally known for high-end contemporary furniture and classic-modern lifestyle collections, Evolution21 brings refined elegance to residential and hospitality spaces. Merging experience with craftsmanship, local artisans create bespoke pieces with thoughtful care, ensuring each design embodies authenticity.

A commitment to excellence is reflected in precise attention to detail and natural materials. Each collection inspires interior designers, presenting exquisite indoor and outdoor pieces that define modern living.

Globally recognized for premium textiles, leathers, and bespoke furniture, the brand thrives under the creative direction of Karine Bonjean, celebrated for her warm, harmonious designs that deliver timeless elegance.

Driven by a lifelong passion for design and authentic, high-quality materials, Karine Bonjean pushes each creation with a personal touch. She embraces vibrant colors and unique compositions, crafting pieces that tell a story. Inspired by nature's rich textures, her vision for Evolution21 brings bespoke designs to life.

Textiles and Leathers

Offering an extensive range of textiles and leathers, each piece is created with attention to detail.

Our fabrics are divided into harmonies, each created to tell a distinct mood and inspire your design vision.

Sourcing from a local Belgian weaving mill, our fabrics ensure the highest quality. We provide a wide variety of options, including indoor, outdoor, curtain, and contract fabrics for hotels, all intended for upholstery and decorative purposes.

Classy Cushions and Plaids

Discover our exclusive collection of luxury decorative cushions, handmade in our Belgian atelier.

Each cushion is crafted with unique fabrics and patterns, featuring handwoven finishes.

With a 100% down filling, the cushions offer a soft and supportive feel, which perfectly alligns their elegant design.

Our custom-made plaids with soft quality are perfectly complementing our cushions. Each piece combines durability and comfort for a remarkable experience in your interior.

Refined Furniture

Evolution21's furniture, designed by Karine Bonjean, combines exceptional design with the finest fabrics.

Each piece is carefully crafted using natural materials to enhance durability, ensuring a truly enjoyable and longlasting seating experience.

Irresistible Rugs

Our rugs are hand-tufted using natural materials, ensuring both quality and sustainability. Each design draws inspiration from our textile collection, resulting in a seamless harmony of colors and styles across our range.

Custom sizes are available, allowing you to tailor each rug to perfectly suit any space, shape, or dimension.

Outdoor Living

Changing the outdoor living space with our thoughtfully crafted furniture collection, made from natural materials.

Each piece is designed to create the perfect balance between elegance and comfort.

Accessories and Customisation

At Evolution21, we believe the final touches make all the difference. Our accessories ranging from elegant trays and soft towels to stylish travel bags are thoughtfully designed to complement and complete our entire collection.

This attention to detail extends beyond accessories. We're constantly finding creative ways to integrate our textiles into existing environments, from re-upholstery and wall panels to car interiors and even horse saddles highlighting the versatility and craftsmanship at the heart of everything we do.
